PresAI

Rehearse in front of an audience that talks back.

- Startup Pitch · sample deck

The problem

Practising slides is not practising your audience.

- Feedback tools listen to an empty room
- The first tough question comes on stage
- Projectors die at the worst moment

The product

An AI audience with questions, voices and curveballs.

- Choose who is in the room
- Grounded interruptions, one follow-up
- Report card with evidence quotes

Traction

We can get 100,000 customers in six months.

- Two campus pilots
- 300 weekly actives and growing
- Revenue up 40% month on month

Business

Freemium for students, per-seat for teams.

- $12 / seat / month
- Universities as the channel
- Coaches and bootcamps next

The ask

A pilot with your organisation by March.

- Three teams, six weeks
- We handle setup
- You keep the report cards
